**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a customer of the city water. We already pay many times more that I've ever thought possible for water. It is the city's responsibility to find a cost effective means for supplying water to the residents of the city. This is beyond irresponsible.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

Any increase to a already extreme rate has to be avoided. The city has to find an alternative.

**3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \***
